1 Q You --

2 A -- though, so I couldn't answer that question for sure
3 because I don't know who all the creditors are.

4 Q Have you received information about Anson from Ian
5 Ghrist?

6 MS. VARGAS: Objection. Goes to attorney work
7 product.

8 THE COURT: Well, I think his prior answer conflicts
9 with that. So I'm going to overrule the objection. But
10 certainly, Mr. Moore, if --

11 THE WITNESS: I can answer it.

12 THE COURT: -- if it invades any attorney-client
13 privilege, I want you to speak up, because we don't want -- I
14 don't want this to turn into where we're invading the
15 attorney-client privilege.

16 THE WITNESS: I've been walking this minefield about
17 three years now, so I'm good.

18 Can you specifically break -- give me that question one
19 more time? I think it was a multipart question, and I --

20 BY MR. CARRUTH:

21 Q Have you received information about Anson from Ian
22 Ghrist?

23 A Yes.

24 Q Do you -- and do you represent any of the same clients as
25 Ian Ghrist? With respect to Anson?

Moore - Cross

70

1 A I -- I don't think so. If you have somebody specific you
2 want me to address, but as far as broadly, I can't recall any
3 at the moment.

4 Q And did you receive 18,000 pages, more or less, of Chase
5 Bank records regarding Anson from Ian Ghrist?

6 A I received subpoena production in a case that I
7 represented Ian Ghrist from, yes, that were Chase records.

8 Q What case was that?

9 A I don't know the cause number. But there was a lawsuit
10 that I represented Ian Ghrist in against Mr. Ferguson
11 individually, Anson, I think another entity I can't think of
12 the name of, that we got a judgment against him for a variety
13 of things.

14 Q So you've represented Frazier for the last two or three
15 years and Mr. Ghrist off and on for the last two or three
16 years against Anson?

17 A I think more like five almost now. I think.

18 Q And when you mentioned earlier that Anson would need to
19 be a party to any dissolution action, you're talking about
20 Anson being sued and served with process. Correct?

21 A Yes. If there was a disso... a formal dissolution, my
22 understanding of standing issues would be, absolutely, in a
23 formal dissolution of a partnership, you would need all
24 partners to be parties.

25 Q And so, right now, that -- there's not a pending

1 only. No need for anybody to come down here. And that way
2 I'll be able to get you guys what you need on this fairly
3 promptly. It will give me a little bit of breathing room to
4 get that put together.

5 Any questions or concerns from anybody?

6 MR. CARRUTH: No, Your Honor. We appreciate the
7 Court's time today.

8 THE COURT: All right. Very good.

9 MS. VARGAS: Thank you, Your Honor.

10 THE COURT: Then that will conclude the matters on
11 the November 1st 1:30 p.m. docket, and the Court will be in
12 recess.

13 THE CLERK: All rise.

14 (Conclusion of proceedings at 6:05 p.m.)
